Sprint 3 Plan

Heading: Sprint 3, Geocaching Social Media, CacheMe, 5/09/2023, Version 1.0.

Goal: []

Task listing, organized by user story:

User Story 1: As a user I want to see posts as markers on the map and be able to click on them to view the post so that I can determine if I want to view or unlock it.
Task 1 description: [Add markers on the map based on Latitude and Longitude]
    - 4 hours
Task 2 description: [Create a UI for only one post at a time]
    - 3 hours
Task 3 description: [Only load markers in a radius]
    - 5 hours
Task 4 description: [Connecting markers to the post]
    - 2 hours
Task 5 description: Check if the post is close and blur the post if it is not.
    - 1 hours
Task 6 description: Link the locate icon on the post to the marker in the map.
    - 2 hours
Total for user story 1: 17 hours

User Story 2: [As a user, I want to be able to comment on posts to interact with other users]
Task 1 description: [Create a new UI for comments]
    - 3 hours
Task 2 description: [Add a field to the cache model for an array of comment id]
    - 2 hours
Task 3 description: [Make a new model for the comment in Firestore]
    - 1 hour
Task 4 description: Add API for commenting on a post.
    - 5 hours
Total for user story 2: 11 hours
